Agreement to Pay

How you will pay

I am requesting a fee waiver for my request and have reviewed the FOIA

reference guide. If my fee waiver is denied, I am willing to pay additional

fees and will enter that maximum amount in the box below.

Allow up to \$

25

Proof Of Affiliation for Fee Waiver

Waiver Explanation

Fee waiver: I request a waiver of all fees under 5 U.S.C. § 552(a)(4)(A)(iii).

Disclosure meets each factor of the public-interest standard: (1) the subject

specifically concerns the identifiable government operations, programs, or

investigations described in this request; (2) disclosure is meaningfully

informative about those operations and how they are conducted; (3) it will

contribute to public understanding at large, not merely my own, because I will

make the records available to the general public; and (4) it is likely to

contribute significantly to public understanding of how federal authority is

exercised and how government programs and investigations are authorized and

conducted. This request is not in my commercial interest and is not made for a

commercial purpose. If a fee waiver is denied, please notify me before

incurring any costs over \$25.

Non-Individual FOIA Request

Request Information

This is a request for records under the Freedom of Information Act, 5 U.S.C. §

552. I request, concerning the digital media tip line established for the

September 10, 2025 Utah Valley University shooting investigation (the

tips.fbi.gov digital media intake, publicized as fbi.gov/utahvalleyshooting):

(1) the records retention schedule and any disposition or destruction records

applied to the submissions; (2) summary intake statistics for September 10-14,

2025, including the counts and definitions behind the publicly cited figures

of approximately 7,000 leads, over 11,000 leads, and 16,000 submissions; (3)

records of any transfer of, or grant of access to, the submission corpus to

any system, component, contractor, or agency outside the investigative case

file, including the systems listed in the Department's 2025 AI Use Case

Inventory as TIPS (Threats Intake Processing System), Facial Recognition

Technology and Data Mapping Tools, and OCR and Translation; and (4) any record

documenting use of the corpus for training, testing, evaluating, or

benchmarking any automated or artificial-intelligence system, including model

cards, test-set documentation, or evaluation reports. To keep this request

narrow, I am not seeking the content of any tip or any personal information of

submitters. If no records exist in any category, I request written

confirmation of that fact. If no responsive records exist, I request written

confirmation of that fact, including a description of the search conducted. To

minimize processing burden, I am not requesting classified information,

sensitive security or law-enforcement methodologies, or private personal

information unrelated to official government business. This request seeks

records of official government activity only. If any portion of a responsive

record is withheld, please cite the specific FOIA exemption claimed and

release all reasonably segregable non-exempt portions, as required by 5 U.S.C.

§ 552(b). Please provide responsive records in electronic format (searchable

PDF or native file) by email where possible. I look forward to your

determination on this request within the 20 business days provided by 5 U.S.C.

§ 552(a)(6)(A)(i).

Expedite

Expedite Reason

Expedited processing: I request expedited processing under 5 U.S.C. §

552(a)(6)(E) on two grounds. (1) There is an urgency to inform the public

about actual or alleged federal government activity, and I am a person

primarily engaged in disseminating information: I publish the government

records I obtain through a public records docket available to the general

public. (2) This request concerns a matter of widespread and exceptional media

interest in which there exist possible questions about the government's

integrity that affect public confidence. I certify that the foregoing is true

and correct to the best of my knowledge and belief.
